Christmas Message

from Your Interim Moderator

As we gather to celebrate the birth of Christ, we are reminded of Mary and Joseph's long and arduous journey to Bethlehem. It was a journey filled with uncertainty, challenges, and faith, but ultimately, it brought forth the greatest gift to the world - the Saviour, Jesus Christ.

In many ways, this story mirrors the journey we have taken together as the four town centre churches have worked towards union.

It has been a path marked by hard work, set-back, perseverance, and hope, as we've sought to fulfil the plan asked of us by Presbytery and the National Church. Just as Mary and Joseph trusted God's plan, we too have trusted that despite the complexity of the process, God's guiding hand is still with us, leading us to a new and exciting chapter of ministry and mission.

As we reflect on the birth of Christ and the significance of His coming, let us give thanks for the spirit of co-operation, understanding, and faith that has brought us to this point.

While the journey is not yet complete until the date of the service of Union, we can celebrate the progress made and the relationships strengthened along the way.

On a personal note, I want to express my heartfelt thanks to the St Bryce Kirk congregation, its Kirk Session and Session Clerk for the privilege of serving as your Interim Moderator over the past three years. It has been a joy to witness your dedication, hospitality, and faithfulness to God's work. You have truly embodied the spirit of love and community that lies at the heart of the Christmas story.

May the hope, peace, joy, and love of Christ fill your hearts and homes this Christmas season. And as we continue this journey together, may we do so with faith and trust in God's plans for us all.

Every blessing,

Andrew Donald, Interim Moderator
